Facebook Page: Sunfield Home School

Sunfield Home School was established in 1972. This beautiful boarding school is in a country environment in Canelands, a 15 minute drive inland from Mount Edgecombe in Kwazulu-Natal. This unique school aims to cater for learners who are Intellectually Impaired. Learners are accepted at Sunfield Home School from the age of 6.

We offer an interactive learning experience which covers the following areas:

- Functional Academics Programme:
 - Language
 - Mathematics
 - Life Skills
- Hospitality Studies
- Hair, Nail & Beauty
- Pottery
- Agricultural Studies
- Music
- Physical Education
- Woodwork
- Needlework
- ICT Literacy Skills
- Ethnic Bead Work
- Maintenance
- On The Job Training
- Occupational Therapy
- Speech Therapy
- Hippotherapy
- Dietician Approved Meals

Learning Phases consist of Junior, Intermediate, Senior and a Pre-vocational unit.

There is a qualified Educator, supported by an Educator Assistant for each class. The class groups are small so that each learner is given individual attention. The boarding establishment offers a home-from-home environment in 2 age-related hostels with a high ratio of staff to learners. The learners are encouraged to develop their individuality, while learning how to be as independent as possible.

New admissions are done throughout the year. We cater for learners with the following special needs: Mild to Severe Cognitive Impairments, Down Syndrome, Autism, ADHD, Cerebral Palsy, Behavioural Disorders, Mild Physical Disabilities.

WATERLOO WELCOMES

"Growing with Love"

Our Mission Statement is as follows:

"Sunfield Home School provides an enriched educational programme to intellectually impaired children within a loving, disciplined, safe, secure, stable and happy school and home-from-home environment, so that each child can reach his/her full potential."

The school offers specialised education which focuses on functional academics (i.e.: Language, Mathematics and Life Skills)
